RESEARCH INTERESTS

Probability theory; Stochastic Processes; Rumor Processes; Quasi-Stationary Distributions.

EDUCATION

PhD. in Statistics, State University of Campinas ([UNICAMP](#)) 2022 – 2026

Advisor: [Élcio Lebensztayn](#)

Exchange Advisor: [Iddo Ben-Ari](#)

MSc. in Statistics, State University of Campinas (UNICAMP) 2020–2022

Dissertation: Multiple phase transition for the contact process on highly non-amenable graphs

Advisor: Élcio Lebensztayn

B.Ed. in Mathematics, State University of Pará ([UEPa](#)) 2016–2020

Monograph: Number Theory and Cryptography - a connection between theory and pedagogical practice

Advisor: Rubens Vilhena Fonseca

SCHOLARSHIPS

(2025 –) Teaching Assistant for Distance Education Courses – [UNIVESP](#)

(2022 –) DS (Social Demand CAPES) – Doctorate Scholarship, UNICAMP

(09/2024 – 02/2025) PDSE (CAPES Sandwich Doctorate Program) – [UConn](#)

(2020 – 2022) DS (Social Demand CAPES) – Master Scholarship, UNICAMP

(2018 – 2019) [Pedagogical Residency Program](#) (CAPES), UEPa

PAPERS

LEBENSZTAYN, Elcio; SANTOS, Lucas Sousa. [The law of large numbers for stochastic rumor models](#). *Expositiones Mathematicae*, Volume 43, Issue 5, 2025.

PREPRINTS/SUBMITTED

BEN-ARI, Iddo; LEBENSZTAYN, Elcio; SANTOS, Lucas Sousa. [On quasi-stationary distributions for stochastic rumor models](#). *ArXiv*.

TALKS AND POSTER PRESENTATIONS

[III EMPA da UEPA](#) – Talk: Processos de Rumor a Longo Prazo (December 2025)

[XVIII Brazilian Probability School](#) – Poster: Quasi--Stationary Behavior for Rumor Process (August 2025)

[35° Colóquio Brasileiro de Matemática](#) – Poster: The law of large numbers for stochastic rumor models (July 2025)

[I Congresso do IMECC](#) – Poster: Quasi--Stationary Distribution for Rumor Process (July 2025)

[XVII Brazilian Probability School](#) – Poster: A Brief Presentation for Quasi-Stationary Distributions (August 2024)

ORGANISATIONAL ROLES

XVIII EnCPos – IMECC Graduate Students Conference (May 2024)

XVII EnCPos – IMECC Graduate Students Conference (April 2023)

XII EPAEM – Mathematics Education Paraense Conference (October 2019)

OTHER ACADEMIC ACTIVITIES

Sandwich Doctorate Program

(09/2024 – 03/2025) PhD exchange period at University of Connecticut advised by Prof. [Ido Ben-Ari](#) (Sponsored by CAPES)

Teaching Assistant

(2024.1) ME310 - Probability II, UNICAMP

(2023.2) ME210 - Probability I, UNICAMP

(2023.1) ME210 - Probability I, UNICAMP

(2021.2), ME210 - Probability I, UNICAMP

(2021.1) ME501 - Stochastic Processes, UNICAMP

Volunteer Teaching

Teaching activities for preparing for Brazilian national college exams (ENEM).

(2018 – 2019) Cursinho Alternativo UEPA

(2017– 2019) Pré-Vestibular Popular Ágora

Undergraduate Research Project

(2018 – 2019) Pedagogical Residency Program (CAPES).

(2017 – 2018) Institutional Initiation Scholarship Program in Technological Development and Innovation (PIBITI)

Project: Fraction calculator on Raspberry Pi for visually impaired persons.
